Made in

Tepe Home[®]

A photograph of the Tepe Home storefront at dusk. The building has a dark facade with large glass windows. The interior is warmly lit, showing a modern living space with a sofa, armchairs, and a dining table. The sky is a deep blue, and the ground in front of the building is wet, reflecting the lights from the store.

HH Tepe Home[®]

A HALF CENTURY
OF PRODUCTION &
INDUSTRY
EXPERIENCE

Developing fashionable
homes leveraging on our
5 decades of excellence
in production.

OUR CUSTOMERS ARE VALUABLE

FIRST CLASS FABRIC & MATERIAL

One of the prime factor in the upholstered furniture is the quality of fabric. All the fabrics are quality checked when they arrive at us and only the approved ones are accepted. In our stores we offer more than hundreds of fabrics to our customers that are quality checked and suit every taste.

CUSTOMIZED PRODUCTION & FIRST CLASS CRAFTSMANSHIP

All processes needed for production such as metal parts, chrome plating, oven drying, polishing and lacquering finishes and all veneered products are manufactured in our factory.

Our upholstered furniture is manufactured independently from other standard production lines and entirely handcrafted using cellular manufacturing system.

Our customers can both select the fabric- and leg-color of the furniture available in our product range to their taste and all of these orders are tracked until the packing stage.

The fabric order is placed by the name of the customer, then the following processes, the dispatch of fabric to the plant, its cutting, sewing, tagging and packing are also carried out by that specific customer name.

60.000 M² PLANT AREA

From raw material processing to distribution, Tepe Home is an integrated company that exemplifies best practices upstream and downstream operations.

TRENDY COLLECTIONS

«A delightful sensuality with industrial tones», «Being timeless with a little touch of classic», «Blending the sense of the casual with the element of style»... our collections offer you this world whether you are in urban plazas, sparkling skyscrapers, waterfront villas or elegant townhouses.

5.000 SKU'S / ITEMS MANUFACTURED

Offering most exceptional and stylish products to our valued customers.

Thanks to the broad product range, we are able to meet all needs of a home and office include outdoor furniture, kitchen cabinets, cabinet systems, gift ware, home textiles, bathroom accessories, lighting and carpet.

COCO

Once upon a time, a fairytale nursery collection was designed by Tepe Home.

The style is both pastoral and poetic, hinting at mysterious far-off places yet timeless. Coco incorporate a mix of the simple and the sleek, blending creativity with functionality and provides a perfect setting for the creative mind.

With neutral colors, wooden elements and greenery can bring together the coziest farmhouse nursery look. Soft hues create a feeling of warmth and white furniture sets the stage for a timeless look.

Coco multi-functional cabinet can be placed near to the crib on side to give the room more sleek look.

COCO Adjustable Crib

Coco convertible crib incorporates the soft, feminine lines, detailed sides, which creates a room as if taken straight from the pages of a fairytale. This timeless crib adds a classic elegance that is sure to make your little girl feel like the belle of the ball.

Spindles/sides of Coco Crib can be removed or changed to provide your baby can use the crib as a bed in later ages. Mattress height is adjustable and is easily converted into a daybed and toddler bed providing you and your child with years of happily-ever-after.
