Tepe Home[®]

A photograph of the Tepe Home storefront at dusk. The building is dark, and the sky is a deep blue. The storefront is illuminated from within, showing a modern interior with various furniture pieces like sofas, armchairs, and tables. The lighting is warm and inviting. The Tepe Home logo, consisting of a square with the letters 'TH' inside, and the brand name 'Tepe Home' in a serif font, are prominently displayed on the dark facade. The entire scene is reflected in a large pool of water in the foreground, which is also lit with a blue glow. In the bottom left corner, there are several small, rounded green bushes.

GRAY

Brilliant example of when the urban meets nature. Its appeal comes from its sense of authoritative simplicity.

The color palette comprises a series of earth tones, light browns and slate grey. The surfaces are veneered oak, the edges trimmed in a contrasting and darker tones.

The cabinet handles and the headboard follow the same theme, everything blended in a Zen-like harmony to create an overriding air of calm.
